Find Your Principal:

Cal Tech maintains a large inventory of instrumentation equipment and supplies. We also supply and service [other products/brands](#) of companies listed at the bottom of this page. If your product/brand is not listed here please [contact us](#) and we will assist you with your search.

Actuators

Air Cylinders
Air Dryers
Air Filters
Air Regulators

Alarms
Ampmeters
Bar Graph Ind
Bolts, SS

Cable:

- armored
- control
- direct burial
- instrument
- thermocouple ext.
- tray rated

Calibrators

Calibration Gases
Calibration Services
Calibration Software
Cases, Equipment

Chart Recorders

Clamps:

- grating
- hose
- tubing

Combustion Analyzers

Computer Testing Equipment

Condensation Pots

Data Loggers

Deadweight Testers

Decade Boxes

Dew Point Indicators

Earth Ground Testers

Electronic Test Equipment

Frequency Testers

Flame/Fire Detectors

Flashlights

Fiber Optic Test Equipment

Fire Control Equipment

Flow:

- calibrators
- elements
- indicators
- meters
- transmitters

Flue Gas Test Equipment

Gas Detection:

- confined entry
- control systems

Meters:

- multimeters
- power meters
- scope meters

Orifice Plates

Ohmmeters

Power Supplies

Pressure:

- calibrators
- gauges
- snubbers
- transducers
- transmitters

Pumps:

- hand held
- hydraulic
- pneumatic
- vacuum

Proximity Indicators

Recorders

Rental Services

Rotometers

RTD's

Signal Generators

Steam Trace Tubing

Switches:

- flow
- level
- pressure
- temperature

Temperature:

- calibrators
- gauges
- transmitters

Thermocouples

Thermometers:

- bi-metal
- digital
- glass

Thermowells

Transducers:

- I/P,E/P

Transmitters:

- flow/level
- pressure
- temperature

Tube/ Tubing:

- benders
- clamps
- cutters

- fixed point
- multi gas units
- perimeter monitoring
- personal monitors

Gauges
Heat Detectors
Hose:

- plastic
- pre insulated

Humidity Instruments
Hyd. Hose Clamps
Hydrometers
Hygrometers
Instrument:

- enclosures
- stands

Laboratory Supplies
Leak Detectors Level:

- indicators
- switches
- transmitters

Manometers
Manifolds

- electric trace
- fittings
- mineral insulated
- plastic/poly
- pre insulated
- stainless steel
- steam trace

Tray:

- aluminum
- slotted angle
- channel
- flat bar
- galvanized
- stainless steel

Valves:

- ball
- flanged
- gate
- manifold
- needle
- tubing

Water Testing Equipment
Wind Monitoring Equipment
Wire:

- instrument
- thermocouple ext.

➔ Principals

AMETEK

Hydraulic Deadweight Testers, Pneumatic Deadweight Testers Featuring PK, RK and HK Models. Hand Held Pressure Pumps and Test Kits. Digital Pressure Calibrators. MOD CAL Documenting Calibration Systems, Air and Noise Monitoring Instruments, Force and Torque Instruments.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

AMETEK JOFRA

Portable Programmable Dry Block Temperature Calibrators with Heating and Cooling Capabilities. Automatic Temperature Calibration Systems, High Accuracy Digital Temperature Indicators, Model PPC Electronic Pressure Calibrators.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

BW TECHNOLOGIES

Maintenance Free Disposable Personal Gas Alarms, Personal Gas Monitors. Multi-Gas Detectors, Fixed Point Gas Monitors and Transmitters, Stand Alone Gas Detectors, Multi-Point Gas Detection Systems, Perimeter Monitoring Systems, Solar and Battery Powered Units, Alarm Light Arrays and Sirens.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

CABLE USA

Heat Control Products, Single & Multi-Tube Pre-Insulated Tubing, Steam Trace Tubing and Products, Electric Trace Tubing and Products, Ambient/Line Sensing Thermostats, Electric Connection Kits, Speed Wrap Insulation, and Heated Hose Products.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

CONTROL AIR

Precision Pneumatic and Electropneumatic Controls, Precision Air Pressure Regulators, Filter Regulators, Current-to-Pressure(I/P) Transducers, Voltage-to-Pressure(E/P)Transducers, Volume Boosters, Motorized Regulators,Friction-free Diaphragm Air Cylinders and Custom Engineered Devices.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**COLE-PARMER**

Cole-Parmer is a supplier of scientific instruments for the worldwide research, industrial, and technical communities. A leading source of laboratory and industrial fluid handling products, instrumentation, equipment, and supplies. Proven experts in the fields of temperature measurement and control, electrochemistry, and fluid handling.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**DWYER**

Static and Differential Pressure Gauges, Switches and Transmitters, Manometers, Flowmeters, Sight Flow Indicators, Air Velocity and Flow Instruments, Level Switches, Floats and Controls for Dry, Liquid, Slurry and Sludge Applications, Temperature Switches, Controls and Indicators, Combustion and Flue Gas Test Kits, Valves and Position Indicating Devices.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**FLUKE**

Digital Multimeters, Bench and Portable Multimeters, Power Meters, Scope Meters, Clamp Meters, Fiber Optic Test Equipment, Documenting Process Calibrators, Telecom/LAN Test Equipment and Digital Thermometers.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**LUMIDOR**

Portable Single and Multiple Gas Detectors Including Combustible Gas, Toxic Gas and Oxygen for Confined Entry and General Gas Detection Applications. Carbon Monoxide Verifier. Available with Internal Sampling Pump or Diffusion Models. Data Logging Capabilities. Complete Kits Including Calibration Gas, Carrying Case and Accessories.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**MERIAM**

Meri-Cal Pressure Calibration Kits, Pressure Converters, Hand Pumps, Laminar Flow Elements, Accutube Flow Sensors, Orifice Plates, Seal Pots, Manometers, Digital Gauges, Differential Pressure Instruments and Flow Systems.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**M-SYSTEM**

2 and 4 Wire Signal Conditioners, Limit Alarm, High-Density Signal Conditioners, Input/Output Isolators, Current and DC Power Supplies, Power Transducers, Multi-I/O Field Network Systems, Multiplex Signal Transmission Systems, Remote I/O, Telephone Couplers, Telemetry, Lightning Arresters, Bargraph Indicators, Digital Panel Meters, Final Control Components and Position Sensors.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**NORLAB**

Hydrogen Sulfide, Methane, Sulfur Dioxide, Ammonia, Nitrogen Dioxide, Nitric Oxide, Hydrogen, Hexane, Propane, Zero Air, Nitrogen, Toluene, Carbon Dioxide, Pentane, Nitrous Oxide, Carbon Monoxide, Isobutylene and Oxygen. Calibration Kits, Cases, Regulators and Accessories. Custom Mixes Available.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**NOSHOCK**

Standard Pressure Gauges, Process and Test Gauges. Low Pressure Diaphragm Gauges, Liquid Filled Gauges, Stainless Steel Gauges, Diaphragm Seals, Pressure Snubbers, Transmitters, Transducers, Indicators, Bimetal Thermometers and Needle Valves.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**PELICAN**

Most Technically Advanced Lighting Products and Equipment Cases Available. Cases are Unbreakable, Watertight, Dustproof and Rustproof. Lighting Products for Industrial and Recreational Use that are FM, SA, AUS, CENELEC, MSHA Approved Non-Incendive.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**PERMA-CAL**

Accurate, Reliable and Affordable Helical Test Gauges, Process Gauges, Receiver Gauges, and Piston Type Pressure Regulators. Dozens of Design Choices for every Application. Optional Diaphragm Seal Provides Freeze and Corrosion Protection.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**PIE**

Practical Instrument Electronics. Complete line of High Accuracy & High Reliability hand held calibrators for industrial calibration including Milliamp, RTD & T/C. Including cutting edge unique features not found in any other calibrator and designed to be simple to be use. From some of the most experienced designers of calibrators in the industry.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**RALSTON**

Pneumatic, Hydraulic and Vacuum Hand Pumps for Pressure Testing and Calibration of Gauges, Transmitters, Pressure Switches and Other Devices. Quick Connecting Test Fittings, High Pressure Small Diameter Flexible Hose with Quick Connecting Fittings Available in Standard and Custom Lengths.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**REFINERY SUPPLY**

Deadweight Testers, Reid Vapor Pressure Gauges, Dew Point Testers, Centrifuges, Plumb Bobs, Gauging Tapes, Vacuum Pumps, Utility Ovens, Laboratory Supplies, Glassware, Balance Scales, YEL-O-BAK Thermometers and Hydrometers.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**SAFETY SYSTEMS**

Toxic Gas, Combustible Gas and Oxygen Sensors and Transmitters, Multi-Mode UV and IR Flame Detectors and Controllers, Ionization and Photoelectric Smoke Detection and Control Systems for Toxic and Combustible Gas, Fire Smoke and Extinguishant Release, Relay, Voting Logic, Systems Facilities Logic and Supervised Alarm.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**PSI-TRONIX**

Digital Pressure Gauges for Process and Test Applications. Battery Powered or External Power Operation, External Zero and Span Adjustments with Options for Peak Hold. Auto-Off, Analog Output, Zero Adjustment Knob, NEMA 4/NEMA 7 Enclosure. Pressure Transmitters, and Transducers, Dual Output Pressure and Temperature Transmitters and Pressure Comparators.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**TECHLINE**

Tubing Supports, Instrument Stands, Channel Tray, Slotted Angle: Available in Stainless Steel, Hot Dipped Galvanized and Aluminum. Stainless Steel Gang Tube Clamps, Yoke Tube Clamps and Duplex Tube Clamps. Stainless Steel Nuts and Bolts and Stainless Steel Tubing.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**THERMOPROBE**

Specialized Compact Digital Cordless Laboratory Thermometers to be used in place of Mercury-Glass Thermometers. Gauging Thermometers Constructed to Withstand Abusive Field Use, Ensure Consistent Accurate Measurement and Provide Safe Operation in Flammable Environments.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**TRANSCAT**

Complete line of Measurement and Control Products including Panel Meters, Sensors, Controllers and more. Access to more than 25,000 Tests, Measurements & Control and Calibration Instruments. 400 of the Industry's Best Manufacturers. Search & Shop more than 15,000 products on-line at www.transcat.com

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)

**TTEC**

General Purpose Thermocouples and RTDs for the Chemical, Power, Petrochemical and Plastics Industries. Field Cuttable Thermocouples and RTDs. Thermocouple Wire and Extension Wire. Explosion Proof Assemblies, ANSI Color-Coded Heads. Spring Loaded and Multi-Point Assemblies, Teflon Encapsulated and Hand-Held Probes, Thermowells and Junction Boxes.

[.:Website:.](#) [.:Specs:.](#) [.:Top:.](#)
